Cars & Coffee—Speed Vegas By Jerry Robinson

I'm Jerry Robinson, a free-lance reporter for the Las Vegas Cadillac & LaSalle Club—and I mean free, literally! I picked up an assignment from one of the club founders, Hal Sheaks. Hal asked if I could cover Cars and Coffee on Saturday April 29 and the Cadillac Through the Years Car Show on Sunday April 30. The Cadillac Kings Car Cub was having a national convention in town. They informed our club President DR Rawson—they were coming to Cars and Coffee at Speed Vegas on Saturday morning. They said they would bring 31 Cadillacs. I could not miss it!

The Cadillac Kings can really move fast! I decided I would need help covering the event. I picked up a friend John Michael Adams that lived nearby. The CLCLV arrived first to hold the spot at Speed Vegas. About 20 to 30 minutes later the Cadillac Kings rolled in with twenty plus custom Cadillacs all in a line. It was spectacular to see in person!

We met some of the Cadillac Kings guys. The license plates showed they were from five different states: Nevada, Arizona, Colorado, California and New Mexico. Some of the members said they were from Pennsylvania, Virginia and Michigan who had come in for the event. We also met Tim Johnson the Vice President of the Las Vegas Cadillac Kings—whose in the process of getting his Cadillac back! Hopefully soon!

What Are LDW Systems and How Do They Work?

I love the idea but I was curious how they really work. So here is the answer. There are two primary types of lane departure warning technologies. The first type is typically referred to as a Lane Departure Warning (LDW) system. These systems monitor the lane markings on the roadway, which allows them to sound an alarm whenever a vehicle starts to deviate from its lane. The driver can then take corrective action, which can prevent a run-off-road accident or a collision with another vehicle.

The other type of lane departure warning system is more proactive, so it is often referred to as a Lane-Keeping System (LKS), Lane-Keeping Assist, or another similar name. These systems also monitor lane markings, but they are capable of taking corrective action. If the driver doesn't respond to an initial warning, a Lane-Keeping System can typically take action to keep the vehicle from drifting.

2017 Cadillac Through The Years By Jerry Robinson

Sunday April 30 was a beautiful sunny day. A wonderful day to display our Cadillacs— including the Cadillac Kings. People of all ages strolled through the streets of Town Square enjoying our cars. Some stopped and asked questions some just simply gave compliments. Some people talked about memories they're family made with Cadillacs in their past. It was obvious they were all enjoying viewing the Cadillacs.

The day just seemed to fly by, maybe it was the gathering of friends, the cars or the excitement of it all. Cadillac Through the Years is one of my favorite show of the year. There were raffles, live music and awards—some of the winners are shown here!

Cars & Coffee From Page 1

To mention a few:

- ♦ Mike Deleon with his 68 DeVille it had a hopped-up 472 under the hood
- ♦ Corey Adolphus with his dark blue 68 DeVille
- ♦ Jeff Rios with his magnificent 60 flattop

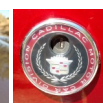

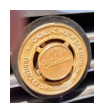

The Las Vegas CLC and the Cadillac Kings together totaled 39 Cadillacs at Cars and Coffee. It was really a sight to see. We lined up our Cadillacs and made three laps around the track, we almost filled the entire 1.5-mile track— a very nice showing. We are planning on doing this again and hopefully the Cadillac Kings will also be in town.

May 21, 2017 Picnic—Spring Mountain Ranch

What a beautiful day to get together with friends AND drive the Cadillac. it was good to see so many new members at the event. The BBQ from Famous Dave's and set up was great: Thank you Mike C for all your efforts. We hope everyone enjoyed the tour of the house and the raffle with all the fun gifts and even a little cash. Check out the web site and Facebook for a lot more pictures.

Join Us At

The Summerlin Parade

Have Fun and Represent The 4th

Wear Red, White, Blue—Club Clothes!

Decorate your Car Festive For the 4th! Let's Win First Place AGAIN!

Space:

E12 / Escort South
