Sympathy to all those who loss loved ones in the recent tragedy. Thank yous and healing to all involved and Las Vegas.

By DR Rawson: Our club has produced a second successful car show thanks to Gary Weaver. Some time ago your Board of Directors floated the idea of a second annual car show that would take place in the fall on the west side of town. With that information in mind, Gary Weaver went to the Village Square people (they host Third Thursday Car Show as well). To the surprise of everyone, they jumped at the chance. Gary & Carolyn Weaver

came up with Cadillacs under The Stars or CTS. Carolyn worked her magic and suddenly we had a registration form, save the date

cards and a brochure. Everything we needed to start promoting the show. Many of our members jumped right in. We also had TV and the Review Journal helping out.

On September 23 there were 52 cars displayed plus 6 new cars from our sponsor, Findlay Cadillac. John Saksa, their general manager, also brought a 1966 Cadillac red convertible with a white top and interior, that the dealership is selling. Interestingly, John and his partner Scott brought their own personal classic, a 1966 Cadillac red convertible with a white top and interior. The difference: John's personal car is pristine. It was stunning.

Continued from Page 1

We had cars we've never seen before. Classics, late models, and even a CTS-V with 1,000 brake horsepower! All of them were awesome cars. Every owner had a great

story. My personal favorite was the man that received his classic on his 18th birthday, he's 44 today. The next best story I liked was the

1966 convertible that John and Scott purchased. It took a previous owner 17 years to restore the car. Patience and passion paid off. The Raffle, charity participation with Toys4Smiles plus amazing prizes, tribute artists including Neil Diamond, Elvis Presley and Frank Sinatra; all made for a great night for Cadillacs under The Stars. Hopefully, we'll see you there next year. Save the date of Sunday April 29 for Cadillac Through The Years!

The Club thanks members Denny and Jackie Rutkoskie for sharing their collection and their home.

On the 9th of September about 20 of members set out for St. George, Ut (actually Washington, UT) to see Denny's collection. The collection represents some of the best Cadillac and other brand models. What made to tour so excellent was the story that Denny put with every car.

After viewing the collection, we went to Denny's home where his wife Jackie had prepared an excellent buffet for everyone including ice cream and assorted toppings and home made cookies. It was great. During and after eating, we sat in various places in his beautiful home and simply talked to one another and shared life experiences. A view? Oh my, what a view of the community and the mountains to the east of their home.
